

# New River Birding & Nature Center

Sharing the secrets of science and nature in the New River watershed  
with West Virginians and their friends.

**Sponsor A Section of Boardwalk** to help build the New River Birding & Nature Center's Wetlands Boardwalk, providing a unique perspective for environmental education and serene walks and all interests in between. The Wetlands Boardwalk extends into a 15-acre beaver maintained wetland, helping preserve the natural and scenic resources through accessibility and education for school groups, clubs, birdwatchers, and self-guided visitors, as well as providing curriculum and programming for all ages to demonstrate the vital role wetlands play in the ecosystem and the diverse habitat they support.

**Only \$500 for a twelve foot section**, your tax deductible contribution will support the effort of preservation and share your love for the environment. Your contribution will take physical form with a forever memento you may visit and take pride in.

Patrons get an engraved plaque (featuring the family's name, a milestone, a logo, or message of choice) permanently fixed onto your newly built section of boardwalk.

Your donation will help build the Wetlands Boardwalk, preserve a unique environment, and provide environmental education to youth and community.

Please print:

Your name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone number: \_\_\_\_\_

Email address: \_\_\_\_\_

Number of Sections you wish to sponsor: \_\_\_\_\_

Please use a separate form for each plaque if they are not to be identical.

The engraver will use both upper and lower case letters - please print the text exactly as you want it to appear. You may provide a digital logo or request one.
